Our award-winning Radical Randy™ Asthma Education Program helps children:
- see exactly how asthma affects their body
- understand the key parts of their respiratory system
- experience inflammation and tightening using Randy's inflatable airways
- identify asthma symptoms and triggers
- understand how controller meds work and why they should be taken as prescribed
- take an active role to control and manage their asthma

For details and special offers, visit our website or call 1-800-238-7951.

The Camp RAD curriculum has been successful in reducing emergency room visits and hospitalizations. It is ideal for use in asthma camps, children's hospitals, health fairs, clinics and school education.
