## **LEGACY PRODUCTS QUALITY GUARANTEE**

Legacy products are backed by a 90 day guarantee. If any Legacy product fails due to a defect in materials or workmanship within this time period, we will gladly replace the defective item. Returns will be accepted with authorization from Legacy and are at sender's expense unless otherwise agreed upon.

### **MediKin Infection Control and Cleaning Information**

This product is NOT a toy. It is a medical teaching tool to be used by an educator with the patient and/or caregivers. Everyone should thoroughly wash their hands prior to the teaching session and immediately following the session.

In cases when compromised immune systems or infection control may be a concern, it is recommended that the patients and/or caregivers "play doctor" by wearing surgical masks and gloves throughout the teaching process.

All of our products may be sprayed with clear disinfectants such as Lysol® Disinfectant, etc. The use of antibacterial wipes is also acceptable.

Products may be spot cleaned with upholstery cleaner such as Resolve® Upholstery and Carpet Cleaner, Woolite® Upholstery and Carpet Cleaner, Tide® to Go Instant Stain Remover, etc.

When products are not in use, they are to be kept in the educator's office or other secure space. They are never to be left unattended in the playroom or where they can be accessed without supervision.
